

Now introducing from **ICE** & **SEGA**

HOOPLA™

ICE & SEGA has come up with a ringer of a game with a new addition to the original ICE Carnival Classics series.

Unique spin on a classic game!

Player uses a "whimsical hoop" to hook all 7 LED lite pegs within the allotted time to reach the bonus round.

Perfect for the family and group play.

MEGA marquee with carnival-style lighting is available.

Dimensions:

L - 95.5in (2426 mm)
W - 45in (1143 mm)
H - 97in (2464 mm)
110v at 6amps
230v at 3amps
